

SmartWorks EZ Touch Plus

INNOVATION IN WIDE FORMAT SCANNERS AND SOFTWARE

Touch-Screen Optimized
Scan, Copy, Print and
E-mail Software for
Demanding Imaging
Applications

PROVIDES:
ALL SMARTLF WIDE FORMAT SCANNERS WITH AN
ENHANCED TOUCH SCREEN APPLICATION FOR THE
MORE DEMANDING USER

Specifications

Add **more capability** to your SmartLF scanner with the optional **SmartWorks EZ Touch Plus** software. This software is compatible with Windows 7, Vista or later editions.

Sharing:

Convert your large format printer into a full size color copier. Or scan to E-mail, scan to USB memory stick - share your image in any way you prefer.

Productivity:

Using a large **touch-screen** or a conventional display, keyboard and mouse, the intuitive Graphical User Interface and logical workflow helps you get extra productivity and excellent quality to all your scans. Automate batch scan of similar documents using any of the **11 Programmable Presets** controlling document size and image quality.

Image Enhancement:

Utilise the more advanced in-line adjustments like Sharpen, De-skew, Rotate, Threshold changes and see instantly the effect of your chosen document selections in the scan preview window. Save your digital scans in any one of the 3 most popular file formats (TIFF/ TIFF LZW, JPEG and PDF). Higher productivity is easily achieved without compromise on quality.

Ease of Use:

Easy to understand Graphical User Interface with common functions defined by obvious graphical icons - optimising the image with the tips of your fingers.
